

Thank you, Lions. You made it possible.

7,915 people
received a second chance
for sight through corneal
transplantation with the
help of Eversight.

Our community of volunteer Ambassadors shared their experiences with donation and transplantation to spread our mission of sight restoration.

2,380

tissues were donated to advance
promising eye and vision research.

\$217,819 was donated by Lions Clubs from
across the U.S. to support sight-restoring programs

86

people received a sight-restoring
transplant with aid from the
Eversight **Gift of Sight Fund**.

+56%
of Americans

are registered eye, organ and tissue donors.
Visit eversightvision.org to join the donor registry.
