2025 Impact Report

Eversight partners with individuals, surgeons, researchers, advocates, Lions Clubs and other organizations in communities around the world to provide access to life-changing eye care. Thank you for helping Eversight build a strong foundation for our growing global impact.

Tissue recovery, preparation, research, and education account for 83% of Eversight’s total expenses reflecting our commitment to maximizing mission impact while maintaining the infrastructure necessary to support long-term growth and sustainability. Any financial surplus we earn is reinvested into the mission to ensure Eversight can continue this transformational work for years to come.

As a 501(c)(3) charitable organization, Eversight continues to operate in sound financial health that further strengthens our long-term viability to continue delivering on our mission: to restore sight and prevent blindness through the healing power of donation, transplantation and research.

Record Estate Gift – Inspired by two sight-restoring corneal transplants she received in the early 2000s, contributor Jean included Eversight in her estate plans, resulting in a gift of \$886,699 – the largest in Eversight’s history. Her legacy will fuel sight-saving research and bring renewed hope to thousands living with incurable blinding eye conditions.
