Sight Leaders

Lions Clubs are the foundation of the Eversight mission to restore sight and prevent blindness through the healing power of donation, transplantation and research.

As Lions, you know the difference restored sight makes in the life of someone affected by blindness or vision loss. Colton (pictured above) nearly lost his vision after a fishing accident. Today, he can see a bright future thanks to a cornea transplant.

To show our appreciation for the dynamic partnership between the Lions and Eversight, we created Sight Leaders. Each year, clubs making a total annual donation of \$3,000 or more during the Lions' fiscal year receive a patch for the club's banner. Clubs with contributions between \$500-\$2,999 receive a Sight Supporter collectors pin. Clubs with contributions of \$250-499 receive a Sight Partner certificate.
