Dear Administrator:

The enclosed Organ And Tissue Procurement license with license number 280 and certificate number 2533 is issued for the above provider effective December 5, 2026 through December 4, 2028. The license is being issued for approval of the renewal application.

The Agency no longer mails hard copies of licenses. Per Section 408.804(2), Florida Statutes, providers are required to print the license and post it in a conspicuous place readily visible to clients at the entrance of your facility.

Review your certificate thoroughly to ensure that all information is correct and consistent with your records. If errors are noted, please contact the Laboratory and In-Home Services Unit.
